Updated November 1, 2010

By accessing this list you agree to use it only for its intended purpose—to contact another member of the IntoAction.org group. At the time of their addition, the contact consented to be added to this list. We do our best to maintain this contact list, but we cannot guarantee that the information provided is accurate or that the person listed is still active in Alcoholics Anonymous. We make every effort to remove contacts within 24 hours of receipt of the removal request made to [Webmaster@IntoAction.org](mailto:Webmaster@IntoAction.org).
